

To whom it may concern,

This letter is to request sponsorships and/or donations to benefit the CSTHEA Patriots basketball program, players, and coaches. There are four levels to choose from, with each level having its own benefits that increase as the donation increases.

The Corporate Sponsorship Program is one of the main financial ways we support our basketball program. Your sponsorship will provide support for the players, coaches and others involved with the program. Patriots Administration will use the money raised from this event to both purchase equipment and offset the operations costs necessary to run our program.

CSTHEA Patriots basketball provides an opportunity that gives local, home-educated student athletes an opportunity to be part of a family that focuses on teaching character as well as competing at a high level. Our purpose driven approach to athletics keeps our student athletes motivated to work hard on becoming better young men and women as well as better athletes throughout the season.
